Phil just helped us to purchase our forever home. When we met Phil, my husband and I were visiting several open houses in the Northridge area; one of those open houses was being hosted by Phil. We were both immediately impressed by Phil's personal knowledge of the SFV and his genuine interest in our pursuit. When we left the open house, we both knew that we wanted him to represent us. As an individual that has raised his own family in the SFV, Phil has invaluable, first-hand knowledge of the various neighborhoods. During our search, we were amazed to learn of the existence of several wonderful areas, of which we had no prior knowledge. One of those wonderful areas is where we landed. We are thrilled with our purchase and we plan on inviting Phil and his wife to our new home for a celebratory dinner!
